African American HIV Education and Prevention Course
Spartanburg, SC
March '08

The African American HIV/AIDS Education and Prevention Instructor Course focuses on culturally specific and often sensitive material. It is a multifaceted training experience, combining HIV/AIDS education and facilitation skills for building HIV prevention skills, with exploration of values, attitudes and beliefs. The instructor course is participatory and experienced-based. It focuses on skills that instructors need to facilitate culturally specific HIV/AIDS community sessions with African American audiences.

Please note location is TBA.
