

*Together, we can save a life*

**HIV/AIDS Education Starter Facts  
March 3, 2008  
American Red Cross - Piedmont Chapter  
6:00 p.m. – 10:00 p.m.**

The HIV Interagency Prevention Collaboration is proud to sponsor an American Red Cross *Starter Facts* course. The goal of *Starter Facts* is to help individuals develop a knowledge base about HIV/AIDS and skills in separating facts from misinformation and opinions. This course also helps participants learn to use skills and information in a professional capacity (e.g. an educator, counselor, or volunteer).

People who may benefit from taking this course include individuals who:

- Wish to learn or review factual information about HIV/AIDS.
- Want to learn about or review HIV/AIDS facts for professional, occupational, or academic reasons.
- Want to learn or review the facts about HIV/AIDS for personal development.
- Want to become an American Red Cross HIV/AIDS Education and Prevention Instructor.

Individuals who successfully complete the class will receive a course completion certificate.

**To register, call Teretha Fowler at  
864-585-8252**

**Registration deadline is February 27, 2008**

***Scholarships are available through the  
HIV Interagency Prevention Collaboration.***
